

IMPACT REPORT 2023

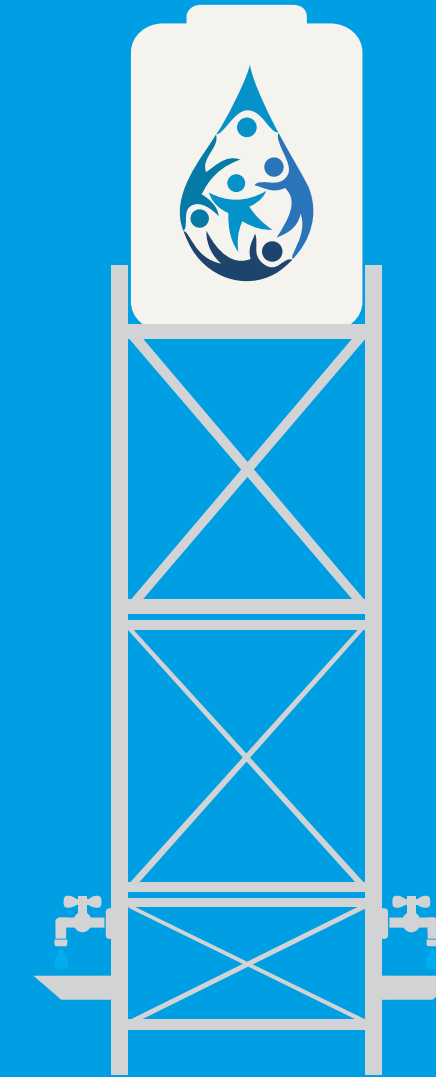

2023 IMPACT

Khandala

INDIA

13

 AquaTower

projects deployed together with hygiene education programming and the AquaSan mobile surface disinfection system

Clean, safe drinking water provided to up to

23,400

children and community members

KHANDALA

Satara, Maharashtra

💧 13 AquaTower projects

💧 Project 1 date : January 9th
School name : ZPPS Bholi

💧 Project 2 date : January 10th
School name : ZPPS Bori

💧 Project 3 date : January 11th
School name : ZPPS Padali

💧 Project 4 date : March 27th
School name : ZPPS Sangavi

💧 Project 5 date : March 28th
School name : ZPPS Palashi

💧 Project 6 date : March 29th
School name : ZPPS Kavthe

💧💧 Our students bring drinking water from home to school, but we are unsure whether it is clean or not. Now that we have an AquaTower, we are assured that our children are consuming safe water. 💧💧

Sunil Mohite,
ZPPS Palashi
School Principal

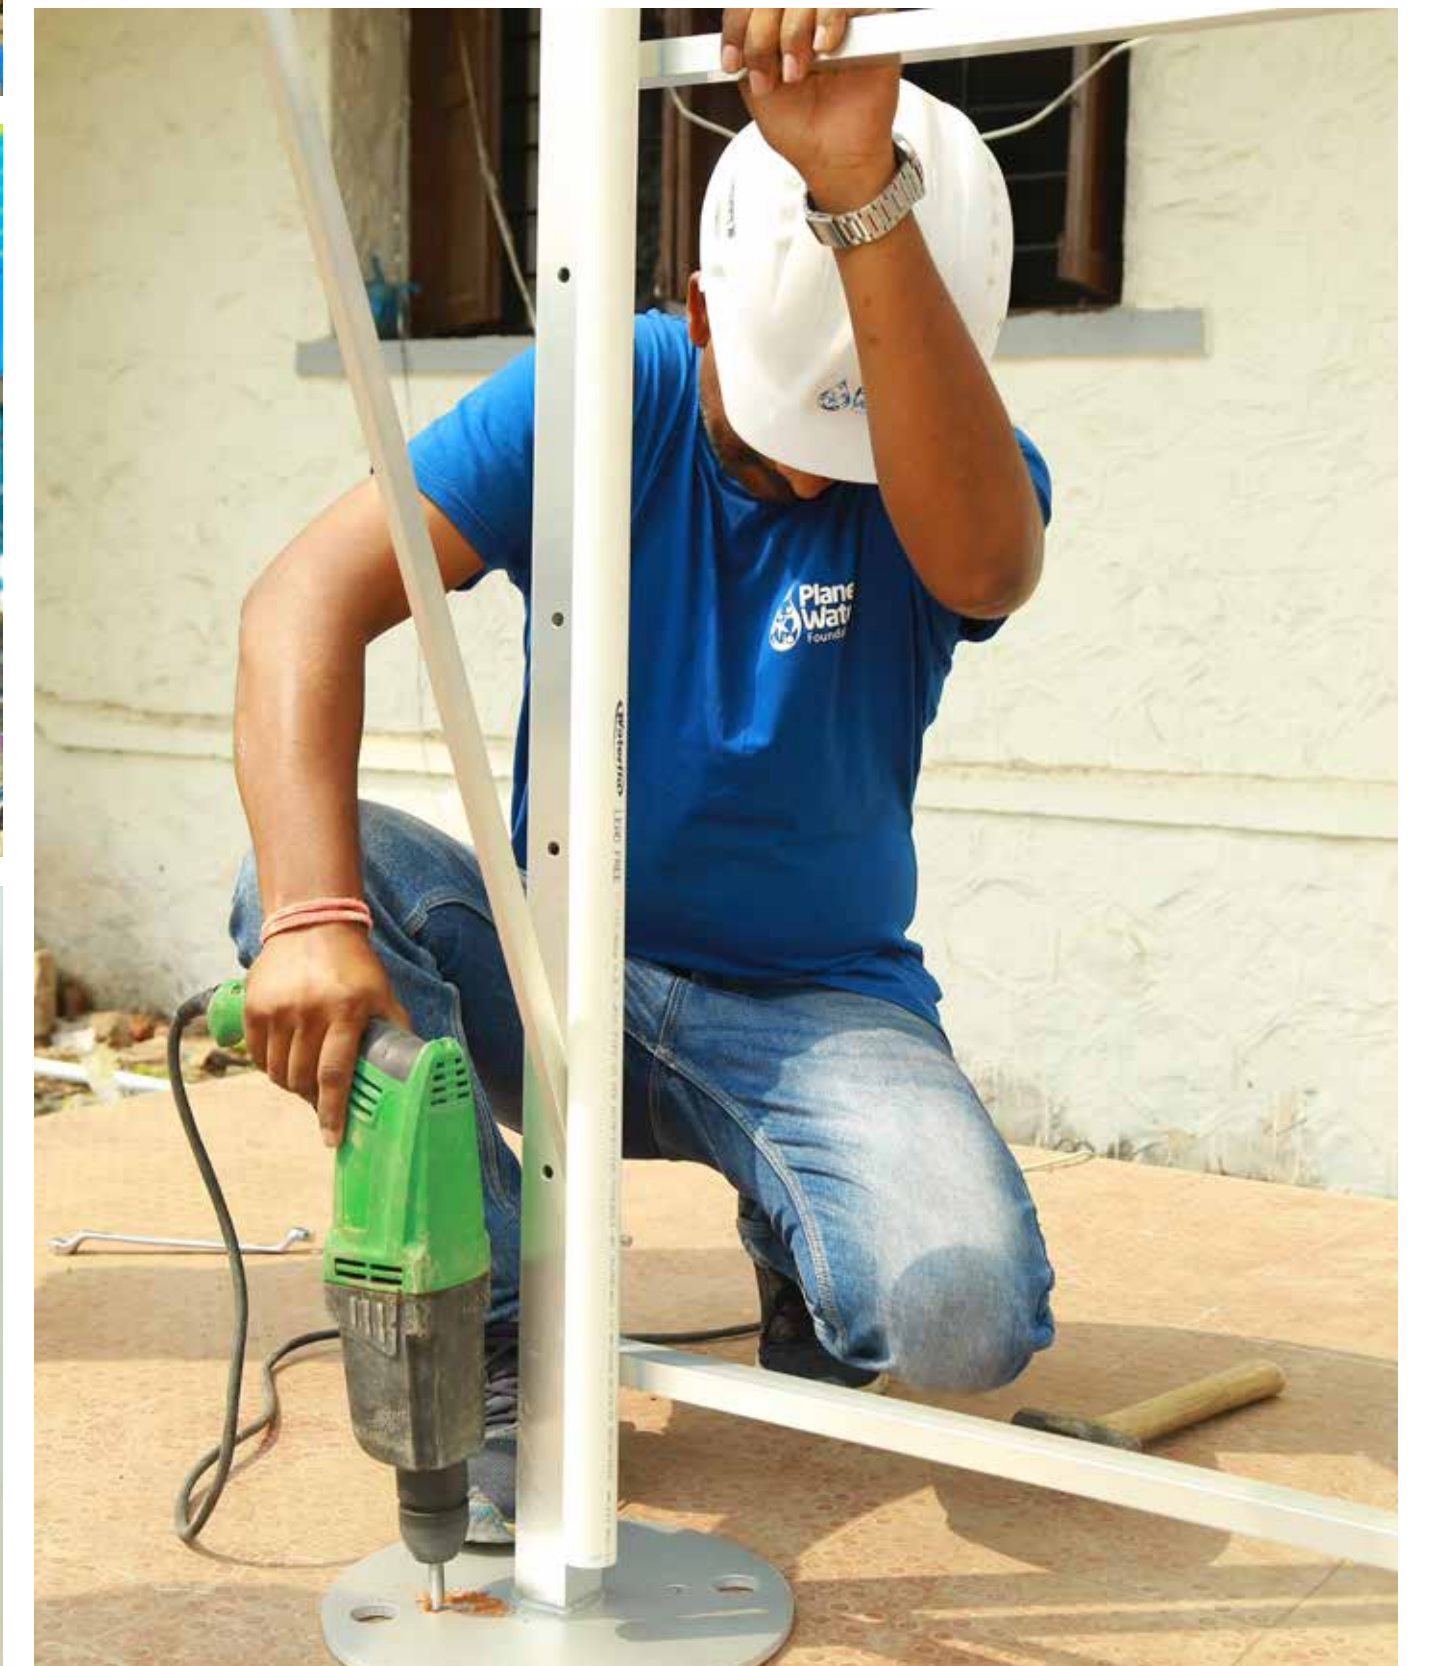

KHANDALA

Satara, Maharashtra

- Project 7 date : March 30th
Community : Mhavashi Village
- Project 8 date : August 22nd
School name : ZPPS Koparde
- Project 9 date : August 23rd
School name : Panchkroshi Vidyalay Padali,
Sukhed Bori
- Project 10 date : August 24th
School name : ZPPS Atit
- Project 11 date : September 1st
School name : Yashwantrao Chavhan
Mahavidyalay
- Project 12 date : September 2nd
School name : ZPPS Andori
- Project 13 date : November 3rd
School name : Bajar Samiti Lonand

☹️ We lack the resources to have a water filtration system in school and this is causing health and academic performance problems. Thankfully, we have an AquaTower now from Datwyler that will be a steady source of pure drinking water to our children and the whole community. 💧💧

Dhanaji Kumbhar,
Bori School Principal

HYGIENE EDUCATION

💧 Total number of schools : 12

💧 Students reached : 5,833

Hygiene education program deployed at all AquaTower project schools.

TOTAL IMPACT

Since our partnership began, thanks to Datwyler's support we have been able to make a significant impact in the fight against water poverty.

2019

2020

2021
